

Eeyore loses a tail

One day Eeyore, the donkey, lost his tail. He asked Winnie the Pooh to help find it.

Pooh went to ask owl for help finding Eeyore's tail.

On the way to see owl, Pooh found a bell rope.

Pooh asked Owl "Where can I find Eeyore's tail"? Owl said "You silly bear. You are holding it".

Pooh went to Christopher Robin and he attached Eeyore's tail. Everyone was happy.
